

Defender Winch Bumper

BRITPART

The quality parts for Land Rovers

Britpart has added a new winch bumper to its range. It will suit Defenders without air conditioning and accommodate the Warn X9, Warn XD9000I or equivalent.

The bumper is constructed from 4mm steel with a durable matt black finish. It is reinforced around the winch aperture for maximum strength and has an eyelet for recovery or hook location.

DA2233

NB: Winch not included
